

Terminators Pest Control

SPRING IS HERE! DON'T BE BUGGED BY OUTDOOR PESTS THIS SEASON!

Outdoor Perimeter Treatments for:

- Protect your home from early emerging insects before they become a problem: Clover Mites, Boxelder Bugs, Stink Bugs, Carpenter Ants, Small Ants, Centipedes, Millipedes and more.

- Protect your family and pets from Ticks, Fleas & Mosquitos with our new Misting System.

100% Natural Product

- Protect your trees & shrubs from leaf sucking & chewing pests.

- Protect your stone or brick driveway or patio from those pesky ant mounts that seem to appear overnight.

**This Spring & Summer, let Terminators Pest Control be
YOUR #1 Pest Control Solution.**
